

Metrolina Ministries Youth Basketball League

Coach's Covenant

I am a Christian coach with a personal relationship with Jesus Christ.

As a coach I will share the gospel of Jesus Christ with the players and their families on my team.

As a coach I will always act in a Christ-like manner in dealing with players, opponents, parents, referees, and scorekeepers.

As a coach I will help each team member approach the game with the attitude of being a witness for Christ towards a teammate, opponent, and referee.

As a coach I will exercise self-control in displaying negative emotion or anger at a bad play, a bad call, or a questionable play by an opponent.

As a coach I will encourage and build up the players on my team at all times.

As a coach I will never berate, belittle, or embarrass my players during games or practices.

As a coach I have read and understand the rules of the Metrolina Ministries Youth Basketball League.
