

Grow. Pray. Study.

Youth Ministry at Covenant Weekly Reading of Scripture Guide January 22, 2011

Monday

Read: John 14:1-6

Reflect:

- What is familiar to you about this text? Unfamiliar?
- Read The Message paraphrase – what does trust mean to you?
- If you were Thomas in this text, how do you think you would respond today?

Tuesday

Read: Ephesians 1:3-6

Reflect:

- Reflect on two or three blessings in your life.
- What do we mean when we say grace is a gift?
- Perhaps you are interested in reading a book of the bible – check out the rest of Ephesians!

Wednesday

Read: Romans 8:29-30

Reflect:

- Last week we were encouraged to look up the reformed understanding of Justification. This week look up Doctrine of Election – hint John Calvin/Karl Barth! After researching these words/doctrines – what is this text saying in relationship to them?

Thursday

Read: Matthew 11:1-4

Reflect:

- This is the scripture text for worship this Sunday.
- Who is John the Baptist?
- What miracles in the bible are you familiar with?
- What is the role of Messiah in this passage?

Friday:

Read: Your life-verse

Reflect:

- Later this Spring, a sermon series will begin on “life verse”. Your life verse is a verse you live by. One you use in prayerfully meditation perhaps. Brainstorm some stories in the Bible and scripture verses that may be your life verse!
