The Service of Ordination and Installation is located in the Sanctuary in the left-most lancet of the large window in the west transept. Persons elected to the office of ruling elder of the church, following a period of study and preparation, are examined by the Session to inquire into their faithfulness in fulfilling their responsibilities to serve the mission of the universal church. The candidates are thereafter installed in the context of worship focused on the joy of serving Christ through the ministry of the church. Part of this service includes the laying on of hands by members of the Session, after which the elected persons become members of the Session and serve thereon as counsel to the church, authorizing observance of the Lord's Supper, all Baptisms, and examinations of ruling elders-elect, among many other matters. ASSEMBLE IN GOD'S NAME

A Life That's Good A. Monroe, S. Siskind¹

Sitting here tonight by the fire light
It reminds me I already have more than I should
I don't need fame
No one to know my name
At the end of the day, Lord I pray
I have a life that's good
Two arms around me
Heaven to ground me
A family that always calls me home
Four wheels to get there
Enough love to share
And a sweet, sweet, sweet song
At the end of the day, Lord I pray
I have a life that's good

Sometimes I'm hard on me
When dreams don't come easy
I wanna look back and say I did all that I could
At the end of the day, Lord I pray
I have a life that's good

More Like Love B. Rector²

I used to think I wanted to be famous
I'd be recognized out in a crowd
But the funny thing is anytime I've gotten what I want
It lets me down
But now I just wanna look more like love
I just wanna look more like love
This whole world is spinning crazy
And I can't quite keep up
It's the one thing around here
That we don't have quite enough of
So I just wanna look a little more like love
Used to think I needed all the answers
I used to need to know that I was right
I used to be afraid of things I couldn't cover up
In black and white

I find the farther that I climb,
there's always another line of mountain tops
It's never going to stop. And the more of anything I do
The thing that always ends up true is getting what I want
Will never be enough like love

Get Out Of Your Own Way U2⁵

Get out of your own way
Get out of your own way
Love hurts now you look out who's left with no words
Your heart's a balloon but then it bursts
It doesn't take a cannon just to
pin your skin's not covering and
Resistance love has got to fight
for its existence the enemy has armies for
Assistance the amourist the glamorous
the kiss a fist listen to this oh

*You are invited to rise in body or spirit

Get out of your own way
Get out of your own way
I could sing it to you you all night all night
If I could I'd make it alright alright
Nothing's stopping you except what's inside
I can help you but it's your fight your fight

Fight back, don't take it lyin' down you got to bite back
The face of liberty's starting to crack
She had a plan up until she got a smacked in the mouth
and it all went south like
Freedom these slaves are looking for someone to lead them
The masters are looking for someone to need him
The promised land is there for those who need it most
and Lincoln's ghost said

Get out of your own way
Get out of your own way
I could sing it to you you all night all night
If I could I'd make it alright alright
Nothing's stopping you except what's inside
I can help you but it's your fight your fight
Get out of your own way
Get out of your own way

Blessed are the arrogant
For there is the kingdom of their own company
Blessed are the superstars
For the magnificence in their light
We understand better our own insignificance
Blessed are the filthy rich
For you can only truly own what you give away
Like your pain
