Covenant Kids & Youth Summer Sunday School (through Sept 2)

With renovations underway in the Education Wing, here is a look at summer room assignments:

Childcare is available in the Parlor for infants-Kindergarten.

Elementary-age students will go to the first part of 9:30 a.m. worship, then leave for the Chapel following the time with children.

Middle and high school students will meet in The Landing (bottom floor of Fellowship Hall) from 9:30 to 10:30 a.m. Fifth grade students are invited to join us.

Parents, not siblings, are responsible for drop-off and pick-up of children from child care and Sunday School.

With the Education Wing under renovation, some staff members have moved to temporary locations:

Education staff, including Grace Lindvall, Perrin Tribble, Ian Clark, Anne Lowrance, Sally Jackson, Mollie Lee, and Mary Kate McAlister, are in the Sanctuary building conference room.

Chris Callaway, managing director of child development center, is in the Ed Wing 1st floor art room.

Parish Nurse, Mary Mattiacci, is in the music office room.

ASSEMBLE IN GOD'S NAME

Burning In My Soul D. Carson, J. Reeves, B. Younker, M. Maher¹

There is power, power here in this hour this hour
We're all together, together waiting here as one
Whoa hear the sound from Heaven
Whoa a mighty rushing wind
Whoa we're calling for revival
God let Your fire fall again
It's burning in my soul, burning in my soul
All Your sons and Your daughters
Dreaming the dreams of their Father
Seeing the signs and the wonders
The Kingdom of God
I cannot contain it, this fire inside
I cannot contain it, so let it shine
I cannot contain it, this light of mine

Bottle It Up S. Bareilles²

There'll be girls across the nation
That will eat this up babe
I know that it's your soul but could you bottle it up and
Get down to the heart of it,
No it's my heart you're out of your luck
Don't make me tell you again my love, love, love, love.
Love, love, love, love.
I am aiming to be somebody this somebody trusts
With her delicate soul
I don't claim to know much except soon as you start
To make room for the parts
That aren't you it gets harder to bloom in a garden of
Love love, love, love
Love, love, love, love
Only thing I ever could need, only one good thing
Worth trying to be and it's
Love, love, love, love
I do it for love, love, love, love
We can understand the sentiment you're saying to us
Oh, but sensible sells so could you kindly shut up
And get started
At keeping your part of the bargain aw please
Little darlin'
You're killing me sweetly with love love love love
Love love love love

Started as a flicker meant to be a flame
Skin has gotten thicker but it burns the same
Still a baby in a cradle got to take my first fall
Baby's getting next to nowhere with her back
Against the wall.

You meant to make me happy make me sad.
Want to make it better better so bad.
But save your resolutions for your never new year
There is only one solution I can see here.
Love you're all I ever could need only one good thing
Worth trying to be and it's
Love, Love, Love, Love
I do it for love, love, love, love
Oh, only gonna get get what you give away,
Only gonna get get what you give away. Love.

Offering

Raging Fire T. Clark, D. Fuhrmann, P. Phillips, G. Wattenberg⁷

We are dead to rights born and raised
We are thick and thin 'til our last day
So hold me close and I'll surrender to your heart
You know how to give and how to take
You see every hope I locked away
So pull me close and surrender to your heart
Before the flame goes out tonight
Yeah, we'll live until we die
So come out, come out, come out
Won't you turn my soul into a raging fire?
Come out, come out, come out
Til we lose control, into a raging fire, into a raging fire
Come out, come out, come out
Won't you turn my soul into a raging fire?
You know time will give and time will take
All the memories made will wash away
Even though we've changed, I'm still here with you
If you listen close, you'll hear the sound
Of all the ghosts that bring us down
Hold on to what makes you feel
Don't let go, it's what makes you real
If the flame goes out tonight
Yeah, we'll live until we die
Let the world leave us behind, let your heart be next to mine
Before the flame goes out tonight
We can live until we die
